**Program Summary - Master in Business Administration**
School of Business and Economics
Michigan Technological University

**Objective:**
Provide individuals possessing undergraduate degrees in engineering, science, and other fields with a foundation in business that will significantly enhance their ability to succeed in their careers.

**Admission requirements:**
Admission is on a competitive basis. Satisfaction of the minimum standards does not assure admission.

- Normally, applicants should score above 530 on the Graduate Management Admission Test (GMAT) and have earned an undergraduate Grade Point Average (GPA) above 2.9 on 4-point scale from a regionally accredited 4-year baccalaureate degree program.
- The MTU Graduate School Application Form *Statement of Purpose* will be reviewed to assess the appropriateness of the MSBA program for the applicant. Academic references may be requested.
- The applicant’s transcripts from post-secondary institutions attended will be reviewed for completion of MBA program prerequisites and for academic performance.
- If the applicant’s native language is not English, a score of 590 or higher is required for the paper test version of the Test of English as a Foreign Language (TOEFL), or a score of 240 or higher for the computer-based test, or a score of 93 or higher for the IBT version.
