CET1100
Assignment 2
10 pts.
Due 1-31-02 at 11AM EST

Complete the following:

1) Send an e-mail to the instructor that has the following characteristics and ingredients:

a) The last 4 digits of your student number appear as your real name in the message header as received by the instructor. *(4 pts)*

b) A message must be included. The body text of the email message will include a hyperlink to a website for your favorite sports team. If you don't like sports, you can include a hyperlink to a website for your favorite federal government agency. Also, there can be an explanation of why you chose this site to share with the instructor. The body of the message is expected to be a minimum of 5 complete lines of text on a standard 8”x11” page. *(4 pts)*

c) A signature file must be included that is separated from the body of the message by at least one line of white space. The signature will contain the following on separate lines: *(2 pts)*

i) Your "real" real name

ii) Your student number

iii) The last 4 digits of your student number and your userid (on same line separated by a space)

iv) The first line of Lincoln's Gettysburg Address, separated from the previous line by at least one line of white space.

2) In addition to the content above, all e-mails received will be graded on overall presentation including but not limited to spelling, politeness, formality, business like demeanor, and creativity.

3) The instructor will reply to your message. Print out a copy of the reply from the instructor and print out the CET1100 home page. Staple or paper clip these pages together and submit for grading. As always, make sure your real name and complete student number appears on all pages in a visible and legible manner (i.e. write it on the pages or type it on the pages).
