Navid Nasr Esfahani, under the supervision of Doug Stinson, completed a Ph.D. in computer science in 2021 and a post-doc in 2022. He was recently appointed to a tenure track position with the Computer Science department at Memorial University (St. John's, Newfoundland and Labrador). His new email address is navidne@mun.ca.

Anita Pasotti, a member of our Council and a winner of the Hall Medal 2021, has won the award “She Made a Difference 2022” given by the chapter of Brescia of the European Women’s Management Development Network (<https://www.ewmd.org/>). This network aims to support women’s careers and further develop the knowledge and skills of female executives on a national and international level. In particular, this award recognizes women who have distinguished themselves for their professionalism.

There is no doubt that Anita “made a difference” in many of her papers.
